If you are looking for an experienced lawyer, you have come to the right place

Law Firm Chongson & Partners ("C&P") established in 2015. It had handled various complex and major transactions as well as high-profile cases which have contributed to C&P's cumulative expertise and lead to its recognition in legal markets as well as the legal community.

Vychung Chongson and Yuniar Kurniasih, both as the firm founders brought with them their respective broad experience and expertise. They also share a common inspiration and goal to advance the provision of legal services in Indonesia and form a next generation of law practice under integrated and solid platform.

- • C&P's office located in the most premium central business district of Jakarta and supported by highly trained legal practitioners, lawyers and paralegals.
- • C&P services its domestic and international clients across the globe as it responds to the complex needs for legal services driven by rapid and
- • constant developments in the economy, society and technology.

C&P has now developed legal practices that provide premium representation for clients which cover a broad spectrum of law, from corporate and commercial law, banking and finance, bankruptcy and debt restructuring, tax litigation, mining and natural resources, capital market, international trade, competition law, intellectual property, commercial dispute resolution and criminal litigation to labour and employment matters. C&P has now led the firm to specialise in a wide range of businesses and industries. For more information on our expertise and sectoral coverage, please visit our Practice Area page.

Our law firm is known for achieving the highest possible outcomes for our clients in Indonesia.

Our International and National services are designed to focus on you and your needs as our client. We serve local, national and international clients, because our clients are often global, so should we. Chongson & Partners Law Firm is a business law firm operating in Indonesia, providing us with a key point of difference.

Sharing our insights, we work together across borders and jurisdictions in all regions of Indonesia to provide seamless service to our clients. As well as having a national team of experts at your disposal, this means real opportunities to work abroad and gain international exposure.

At Chongson & Partners Law Firm we provide a complete and seamless service.

At the same time as ensuring we provide outstanding local service, we understand that clients can be in any region of Indonesia and so our team is available to come to you.

Our Values

Innovative Legal Solutions :

Commit to providing innovative legal solutions that leverage technology, data analytics, and modern legal research tools. Encourage a proactive approach to legal issues, seeking creative and efficient solutions for clients' needs. Embrace change and adapt to emerging trends in the legal field.

Client-Centric Excellence :

Place clients at the forefront of your practice. Dedicate yourselves to understanding their unique challenges and goals. Strive to provide exceptional client experiences by offering tailored, timely, and transparent legal advice. Continuously gather feedback to improve and meet or exceed client expectations.

Diversity and Inclusivity :

Embrace diversity within the firm, valuing differences in backgrounds, perspectives, and experiences. Foster an inclusive work environment where every team member feels valued and empowered. Recognize that diversity not only enhances creativity but also allows for a more comprehensive understanding of legal issues, enabling better service to clients.

Fairness is what justice really is.
